

MARKETING WITH A CAUSE!

Unfortunately, many non-profit entities don't appreciate the importance of marketing their mission, fail to properly budget for it, and often simply rely on free or heavily discounted local promotion. This strategy often results in low levels of awareness, as paid businesses and events receive priority placement.

**BUSINESSES CAN RECEIVE 30% OFF
ALL ADS PROMOTING A 501(C)(3)!**

Show **YOUR** support for the local community - while helping a non-profit entity generate awareness for how **THEY** support it.

MAKE A GREATER IMPACT!

What is more valuable?

Giving \$1... Or raising awareness to 10 others who might be willing to give a dollar?

PARTNER WITH A NON-PROFIT BY PAYING FOR THEIR MARKETING EFFORTS!
